Antlerless deer on combo or single license

Can you shoot either a buck or a doe on a single deer license (not antlerless license)? Asking for a friend, really! I buy a combo tag and know you can shoot buck or doe on either regular ...

Combo Deer Tag Question, Please Confirm

This is my first year hunting Public land in Michigan and been getting different answers from people I know, so can someone please tell me which is correct. Im planning on purchasing a ...

Old Doe vs. Young Doe , Michigan Sportsman Forum

Way to many deer mature doe, fewer deer baby doe. By shooting the small doe in this case you are allowing the button buck to live hence balancing the ratio while allowing the doe to fawn ...

field dressing a doe , Michigan Sportsman Forum

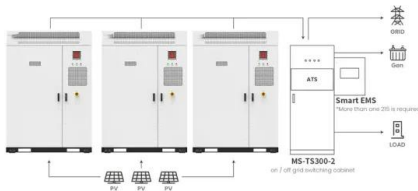

Alright, I realize I'm sticking my neck out here with this post but, I think it's a legitimate question :confused: I've gutted 20+ bucks. I have never shot a doe. I plan to soon. Obviously

there is ...

'25 License Fees , Michigan Sportsman Forum

Yes, Michigan is considering increasing hunting and fishing license fees: Proposed increases House Bill 6229 would increase hunting and fishing license fees across the board, with ...

Best Way to attach kill tag to a doe?

With a doe I usually tag in the ear with a zip tie. I use the hocks, leg bone and ligament, as handles for dragging a doe with two people or run a stick between them and use it to drag if alone. ...

How to judge size of doe?

A mature doe will have a long snout and a chest that extends forward from her front legs. But my best advice is to shoot a doe every year, making note of how big they look and acutally end ...
