

# European photovoltaic and solar container exhibition

## DISTRIBUTED PV GENERATION + ESS

## Overview

---

The over 40 year long history and the diverse programme of the EU PVSEC makes it a landmark event in the scientific PV sector. In 2026, we are more than delighted to welcome you in person on 14 -18 September in Rotterdam, the Netherlands. Share your research with the global PV. Welcome to the 43rd European Photovoltaic Solar Energy Conference and Exhibition - the innovation platform for the global PV solar sector! The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and applications and at the same time a PV Industry Exhibition. The JRC coordinates the scientific programme of the largest international gathering for photovoltaic research, technologies and applications. This event has ended. The European Commission's Joint Research Centre coordinates the scientific programme of the European Photovoltaic Solar Energy. The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and applications and at the same time a PV Industry Exhibition, where specialized PV Industry presents technologies, innovations and new concepts in the upstream PV sector. It gathers the global PV. Welcome to the 43rd European Photovoltaic Solar Energy Conference and Exhibition, the premier event for the global PV solar sector. This landmark gathering, with over 40 years of history, is a must-attend for those passionate about advancing solar energy technologies and applications worldwide. Everything you need for a successful exhibition participation - from application options to organizing and planning your exhibition appearance. From market trends and industry news to media assets - we've got you covered. Save exhibitors and events to your list of favorites, access exclusive.

## European photovoltaic and solar container exhibition

---

### European Photovoltaic Solar Energy Conference & Exhibition

The 42nd European Photovoltaic Solar Energy Conference and Exhibition (EU PVSEC 2025) is held from 22-26 September in Bilbao. It is the largest international gathering for photovoltaic ...

### 42nd European Photovoltaic Solar Energy (EU PVSEC 2025)

42nd European Photovoltaic Solar Energy Conference and Exhibition - EU PVSEC 2025 The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and ...

### Intersolar Europe 2022

Intersolar Europe takes place as part of The smarter E Europe parallel to the three energy exhibitions ees Europe, Power2Drive Europe and EM-Power Europe at Messe München from May ...

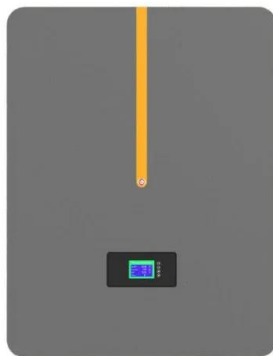

### 42nd European Photovoltaic Solar Energy Conference and Exhibition ...

The EU PVSEC is the world's leading forum for PV research and development and the largest international conference on PV solar energy. It covers a wide range of topics such as device ...

### 42nd EU Photovoltaic Solar Energy Conference and Exhibition

The 42nd European Photovoltaic Solar Energy Conference and Exhibition takes place from 22 - 26 September in Bilbao, Spain. As the largest international Conference for Photovoltaic ...

### 40th European Photovoltaic Solar Energy Conference and Exhibition

The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and applications and at the same time a PV Industry Exhibition, where specialized PV ...

### European Photovoltaic Solar Energy Conference and Exhibition

The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and applications and at the same time a PV Industry Exhibition, where specialized PV Industry presents ...

## 41st European Photovoltaic Solar Energy Conference and Exhibition

The 41st European Photovoltaic Solar Energy Conference and Exhibition is the largest international conference for photovoltaic research and at the same time an exhibition for the ...

## 40th European Photovoltaic Solar Energy Conference and Exhibition

40th European Photovoltaic Solar Energy Conference and Exhibition Lisbon, Portugal The over 40 year long history and the diverse programme of the EU PVSEC makes it a landmark event in the scientific ...

## Bilbao to Host the 42nd European Photovoltaic Solar Energy ...

Bilbao will become the epicenter of innovation in solar energy as it hosts the 42nd European Photovoltaic Solar Energy Conference and Exhibition (EU PVSEC) from September 22 to ...

## European Photovoltaic Solar Energy Conference and Exhibition

Welcome to the 43rd European Photovoltaic Solar Energy Conference and Exhibition, the premier event for the global PV solar sector. This landmark gathering, with over 40 years of history, is a must ...

## 42nd European Photovoltaic Solar Energy Conference and Exhibition

It gathers the global PV community to present and discuss the latest developments in Photovoltaics, to network and to conduct business. It is the world-renowned science-to-science and ...

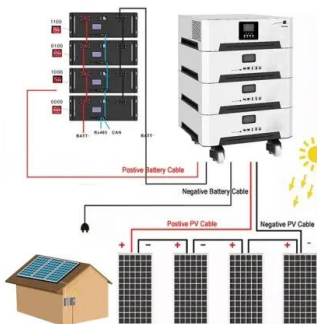

## EU Photovoltaic Solar Energy Conference and Exhibition

The 42nd European Photovoltaic Solar Energy Conference and Exhibition (EU PVSEC 2025) is held from 22-26 September in Bilbao. It is the largest international gathering for photovoltaic ...

## Intersolar Europe - Home

Intersolar Europe - The World's Leading Exhibition for the Solar Industry New energy, new rhythm, same success story: 2026 sets new highlights. Exhibitions: Tuesday, June 23 - Thursday, ...

## Announcement - EU PVSEC 2026

We are delighted to announce that the EU PVSEC 2026 will take place from 14-18 September in Rotterdam, the Netherlands. Rotterdam is a vibrant, forward-looking city and a frontrunner in ...

## Intersolar Europe - Home

Discover the conference program and organize your participation. Everything you need for a successful exhibition participation - from application options to organizing and planning your ...

## 42nd European Photovoltaic Solar Energy (EU PVSEC 2025)

The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and applications and at the same time a PV Industry Exhibition, where specialized PV ...
