

How to integrate household electricity into solar container power stations

How to integrate household electricity into solar container power st

Integrate

To become integrated or undergo integration. [From Middle English, intact, from Latin integratus, past participle of integrare, to make whole, from integer, complete; see tag- in Indo-European roots.] ...

Source Integration Quick Guide , Writing Center

The best writers vary how they integrate quotes, just like they vary sentence length and structure, so try experimenting with different methods next time you write.

INTEGRATE definition and meaning , Collins English Dictionary

If you integrate one thing with another, or one thing integrates with another, the two things become closely linked or form part of a whole idea or system. You can also say that two things integrate.
