

Italian local solar container brand dun solar container fire

Overview

The blaze, which broke out Friday night, prompted a shelter-in-place order for surrounding communities over concerns about hazardous materials in the One Henry Hudson's cargo. The order was lifted in the morning, and the ship was moved out to sea. A fire on a container ship docked at the Port of Los Angeles was nearly contained Saturday afternoon, though authorities were still assessing whether enough hazardous material burned to cause significant contamination. The blaze, which broke out Friday night, prompted a shelter-in-place order for. LOS ANGELES — A fire on a container ship docked at the Port of Los Angeles was nearly contained Saturday afternoon, though authorities were still assessing whether enough hazardous material burned to cause significant contamination.
