

# Quiet solar container

## Overview

---

This container includes the conversion and batteries and is equipped with an insulated and air-conditioned room for food conservation at low temperature (between 3 & 20 degrees - setable) The system works in full autonomy via solar energy and batteries. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. We are a professional manufacturer of integrated solar container systems. SolaraBox solar containers enable customers to achieve greater energy independence and reduce carbon emissions. By delivering clean, accessible electricity, we support sustainable communities and contribute to a healthier. Cool-Watt® is a solar power plant designed as a 20 feet maritime container, pre-cabled and pre-tested so that it can be deployed in less than 1 hour without civil engineering or specialists. This container includes the conversion and batteries and is equipped with an insulated and air-conditioned. Increases your energy capabilities with our compact and powerful 20ft Solar Energy Container construction. Designed to be strong and mobile, it offers 140kWh per day, thanks to its 60 m<sup>2</sup> solar array and 50 kWh battery storage. It's a rapid-deployment energy solution that starts powering your needs in.
