

Small residential buildings for solar container

Small residential buildings for solar container

CdIn2S4 Micro-Pyramids for Reductive Photocatalytic ...

The ORCID identification number(s) for the author(s) of this article in addition to toxic byproducts (gas or ash) can be found under <https://doi/10.1002/sml.202504601> that are released in the environment ...

Current status of functional MRI on small animals: application to

Small animals can be used whenever studies in humans fail or are not possible, and to test pathological evolution and therapeutic effects before their application to human health.

Intestinal absorption of small peptides: a review

Enhanced visualization of small peptides absorbed in rat small intestine by phytic-acid-aided matrix-assisted laser desorption/ion-ization-imaging mass spectrometry.

Droplet Squeeze Microfluidic Platform for Generating Extracellular

For small molecule loading, chemo drugs were mixed in ethanol while preparing a lipid mixture. Later, the drug/lipid solution and PBS were mixed

in a microfluidic device to generate drug-loaded LNPs.

First-in-Human Single and Multiple Ascending Dose Studies of

Balinatunfib is an orally administered, small molecule targeting the TNF pathway by inhibiting TNFR1 signaling. This FIH study evaluated the safety, tolerability, and PK and PD of single and multiple ...

Investigation and Care of a Small-for-Gestational-Age Fetus and ...

The purpose of this guideline is to provide advice, based on the best evidence available, to guide clinicians regarding the investigation and care of the small-for-gestational-age (SGA) fetus ...

ESS

Practical management of adverse events in patients receiving ...

Given that tarlatamab is the first T-cell engager approved for the treatment of small cell lung cancer, raising awareness with regard to the monitoring and management of tarlatamab-associated adverse ...

Small interfering RNA: Discovery, pharmacology and clinical

RNA interference (RNAi) using small interfering RNA (siRNA) is a post-transcriptional gene-silencing technology that is now delivering effective medicines (Zhang et al., 2021).

Dosimetry of small static fields used in external photon beam

IAEA TRS 483 addresses the reference and relative dosimetry of small static fields used for external beam photon radio-therapy with nominal accelerating potential up to 10 MV. The publication consists ...

Non length dependent small fiber neuropathy: Not a matter of

symptoms suggestive of neuropathic pain and small fiber signs are useful in the differential diagnosis with somatoform disorders and musculoskeletal pain. Other conditions of peripheral or central ...
