

Solar container enterprise diary

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white solar containers on wheels, each with a digital display. The stacks are labeled with their capacities: 20 Kwh, 30 Kwh, and 50 Kwh. The background shows a house and a snowy mountain range. The text highlights 'Higer conversion efficiency' and 'CAN/RS485/WIFI/4G Blue tooth communication'. At the bottom, two green boxes state 'Thick shell, well protection for inside cells' and 'BMS customization supported'.

Solar container enterprise diary

Solar Container , Large Mobile Solar Power Systems

We have deployed Solar Power Container units at three of our mines and the results have been outstanding. The ease of transportation and short installation time saved us weeks of downtime.
