

Which category of new energy does solar container belong to

Which category of new energy does solar container belong to

CATEGORY definition and meaning , Collins English Dictionary

A category in retailing is a grouping of the same or similar products such as breakfast cereals, soft drinks, or detergents. Presentation will be a key factor in merchandising impulse categories such as ...

Category

A category is a group of things that share some commonality. Think of the game show "Jeopardy!," and how each column is a different category of questions -- like "Literary Characters" or "Potent Potables."
