However, please note that no server, communications network, or data transmission over the Internet is 100% secure. The Sites are no exception. Guess we're locked out of those quests. Yea the time displacer definitely should've been a reward from the quest to go there or implied it could be acquired from farming normal mobs. Locking daily behind it feels bad. or implied it could be acquired from farming normal mobs Or implied that it would. I have used the " personal time displacer" 4 times to travel to an alternate future for mechagon and every time when i press it even tho the visual thing appears , i stay to the current mechagon Heya, Thank you for reporting the bugs you find, and helping the developers improve the game for us all. "A highly advanced device, capable of displacing you in time." Good day to you! We are happy to welcome you to our next farming guide focusing on different materials that have appeared in Shadowlands expansion. In this Widowbloom farming guide we are going to give you unique information regarding.
